RUSS MOORE PERFORMANCE TRANSMISSIONS.

IRONHORSE TOUGH SHIFTS 24/7

Hauling 24/7 deserves respect. Treat yourself to a heavy-duty, Russ Moore Ironhorse performance transmission. Whether you're hauling the family boat or working on the jobsite, Russ Moore's Ironhorse performance transmissions work tough like you.

IRONHORSE PERFORMANCE APPLICATIONS:

| | |
|--------------------|-------------------|
| Snow plowing | Commercial Towing |
| Horse Trailers | Boat Trailers |
| Gooseneck Trailers | Diesel engines |
| Landscapers | Gas engines |
| Car haulers | Fifth-Wheel |
| Off-road jobsites | RV campers |

IRONHORSE PERFORMANCE FEATURES:

- Standard, heavy-duty converter option
- Additional option of "Triple" disc torque converter with unparalleled life and durability
- Tuned with a Russ Moore shift-package
- "Blue-Print" pumps, guaranteeing maximum line pressure & flow
- Increased pressures improves shifts & torque converter charges for heavy power demands or wide open throttle situations

Contact Russ Moore at (800) 545-9658 and install an Ironhorse performance transmission today.
