

WIDOWMAKER™

IRONHORSE™

ROADWARRIOR™

RUSS MOORE PERFORMANCE TRANSMISSIONS.

WIDOWMAKER DO OR DIE

Alone on the track, Widowmaker stokes the throttle releasing steroids in custom, performance speed. He demands superior results from a performance transmission as he does his custom engine. Russ Moore custom performance transmissions are for those who check the rearview mirror to see who doesn't matter.

WIDOWMAKER PERFORMANCE TRANSMISSION FEATURES:

- Raybestos unparalleled "blue-plate" clutch technology
- The high pressure output T.V. valve (77966-94MK)
- High performance special 1-2 accumulator valve
- Brand new stator support shaft
- 5-Pinion front and rear planets
- Extreme Duty/Torque Drive Input Drum (this hardened input shaft and drum assembly plus a hardened reaction shell and bearing)
- New replacement hardened "output" shaft
- Cast-aluminum pan (shallow, deep or two-level)
- High Stall-High performance torque converter options available.

Contact Russ Moore at (800) 545-9658 today for Widowmaker. Do or Die.
